Since I was little, I have always been inspired by Mae Carol Jemison!

That's why I dedicated myself to my studies and decided to be an astronaut.

I always dreamed of working for NASA and being part of a space mission.

Subject: Welcome to the Artemis crew!

From: nasaofficial@gmail.com

Hello,

We are pleased to inform you that you are now officially part of the Artemis crew! We await your response until Monday, when we will have a meeting to explain the next steps.

Yours sincerely,  
National Aeronautics and Space Administration (NASA)
